Medigarments Corset Adjustment Guidelines and Prices

For Information only: this is a guideline for what charge may be incurred.

One Soft-Fit is included in the price of the corset.

Requested changes that fall within the conditions defined below are FOC following the first Soft-Fit.

- Aperture fitting
- Finishing of seams
- Shaping of bottom edge over hips
- Reduction in length of the velcro fastening straps

Some adjustments cannot be accommodated within the originally produced garment and will incur additional charges at soft fit.

Medium adjustments chargeable post Soft-Fit

- Reduction of circumferences up to 5cm
- Reduction of height above or below waist, centre back panel only - up to 5cm in total
- Increase of aperture, making larger only. Not a change of location

Major adjustments chargeable post Soft-Fit

- Increase of circumference up to 5cm, to be added to the centre back panel only
- Reduction of height above or below the waist, to include centre back, sides and centre front - up to 5cm in total

Adjustments which will result in a full re-cut

- Increase of circumference over 5cm
- Reduction of circumference over 5cm
- Fastening location change
- Aperture location change
- Increase of height above or below waist
- Reduction of height above or below the waist, to include centre back, sides and centre front - over 5cm

If requested, we will do a second Soft-Fit following the initial adjustments, however a second Soft-Fit will always be chargeable.

Corsets supplied finished after Soft-Fit adjustments will no longer be alterable

Medigarments non-conformity

If the garment has not been manufactured as per the original order instructions (a non- conformity), Medigarments will alter / replace the garment free of charge.
